District belonging to the petitioners.

4. W.P.No.24517 of 2004 is filed by 37 petitioners seeking a Writ of Mandamus prohibiting the respondents from taking possession of the properties in Sy.Nos. 37, 38, 39, 41, 42, 44, 46, 47 and 60 of Fakir Tekya Village, and Sy.Nos. 35, 36, 38 and 39 of Tungalam Village in Gajuwaka Mandal, Vishakapatnam District belonging to the petitioners.

5. W.P.No.5322 of 2004 is filed by 161 petitioners seeking a Writ of Mandamus to declare the action of the respondents in trying to dispossess the petitioners for the last 10 days i.e. from 01.03.2004 without acquiring their lands and paying compensation under the Land Acquisition Act more clearly mentioned in the annexure attached to the writ petition showing all the details of the land situated in Fakir Tekya, Chinnatantyada, Tungalam, and Vadlapudi village, Gajuwaka Mandal, Visakhapatnam District by following the due process of law as arbitrary, capricious, unjust, unwarranted and violative of articles 21 and 300-A of Constitution of India and consequently to direct the respondents not to dispossess the petitioners except by acquiring the land under the Land Acquisition Act.

6. The schedule of property is mentioned in Para 3 of the affidavits contending that the ancestors of the petitioners acquired permanent occupancy rights during the Estate Administration and after the Estate was taken over, the Government conducted regular survey under the Survey and Boundaries Act in the year 1957 and settlement operations were conducted. Petitioners were recorded as permanent owners of the extent of lands shown by them in Para 3 of the affidavits. It is stated that the certified extracts from the Settlement Fair Adangals of the villages show that they are the pattedars and therefore, they are the owners of the lands, which they have inherited, from their ancestors and they are living on the said lands by doing agriculture. They are all holders of the small bits of lands and they are all small and marginal farmers.

7. It is submitted that in the years 1965 and 1966 the Government in the industries Department issued notification under Section 4(1) of the Land Acquisition Act, 1894 (for short ‘the Act’) seeking to acquire an extent of 1450 acres of land in Fakir Tekya, Vadlapudi, Tungalam etc., villages for Industrial Development Projects in Visakhapatnam District invoking urgency provisions under Section 17 (1) of the Act and the lands were divided into

convenient blocks. A separate Notification under Section 4(1) of the Act was issued and the said notification was published in the Andhra Pradesh Gazette dated 21.11.1966. Though the 4(1) notification was issued the Government did not proceed further and allowed the said notification lapse in respect of the major extent of the lands out of 1450 acres originally notified and the lands possessed by the petitioners were not at all acquired and no compensation was paid. Till the year 1985 there was no industrial activity in the area notified for industrial development projects. The prospective industrialists coming to know of the previous notifications made in the year 1965 and 1966 pressurized the respondents to take possession of the lands, in respect of which 4(1) notification was allowed to lapse, on payment of a meager amount of Rs.900/- to Rs.2,000/- per acre as per the rates prevailing in the year 1966 and the present cost of the said land is Rs.1.00 crore per acre. The prospective industrialists with the help of respondents 1 to 3 manipulated the records with anti dates by forging signatures of the persons who were in office at the relevant time, adopting the market rates at Rs.900/- to Rs.2,000/- per acre and they are acting in a strategic manner resorting to select evictions to avoid violent agitations on a large scale. In view of the above 4(1) notification issued in 1965-66 i.e, 40 years ago, the respondents are forcibly evicting the petitioners from the said lands. Hence, some of the owners of the said lands approached this Court questioning the illegal and forcible eviction.

8. As per the Adangals maintained by the Revenue Department the names of the petitioners figured as pattedaars. But without taking any legal recourse the respondents are taking coercive steps to evict the petitioners. The prospective industrialists approached the petitioners and wanted them to vacate the lands and offered some amounts of money. But the petitioners told them that they are not going to vacate the lands. Therefore, the petitioners have been threatened with dire consequences. The petitioners submit that they cannot be thrown out of their lands forcibly without any authority of law and they cannot be deprived of their property and means of livelihood, which would be an invasion of their fundamental right to life.

9. The third respondent – Special Deputy Collector, Land Acquisition, APIIC, Visakhapatnam, filed counter stating that the lands mentioned in both Fakir Tekya and Tungalam villages were acquired by the Industries Department, Government of Andhra Pradesh during the period from 1966 to 1972 except Sy.Nos.45, 46, 51 and 52 of Fakir

Tekya village. The lands acquired by the Industries Department have been transferred to the APIIC during 1974. Later the lands in Sy.Nos.45, 46, 51 and 52 of Fakir Tekya have been acquired by the APIIC during 1988. The lands are in the occupation of the APIIC as on date. The schedule lands mentioned in Para 3 of all the affidavits were acquired by the then Land Acquisition Officer under the Act vide Award Nos.22/66, 3/69, 17/66, 7/66, 12/71, 5/70, 3/67, 9/88, 21/66, 5/66, 6/66, 10/69, 17/66 and 20/66 and the lands so acquired are under the absolute possession of the APIIC.

10. It is submitted that the lands were acquired as per the Act and procedure was adopted stage wise i.e., the notification stage under Section 4(1) Draft Declaration stage under Section 6, Award enquiry stage under Section 9(3) and 10 and notices issued under Section 12(2) at the stage of payment of compensation to land loosers. Therefore, it cannot be said that the lands were not acquired and the lands under acquisition are under the possession of the APIIC and the same was confirmed by the revenue records of VA No.3 of MRO Office, Gajuwaka, Visakhapatnam.

11. Respondents 1 and 2 filed counter stating that the Andhra Pradesh Industrial Infrastructure Corporation Limited (for short 'the Corporation') is a Government company registered under the Companies Act, 1956 and the objects of the Corporation amongst others are to acquire lands and to develop the said lands into Industrial Areas providing necessary infrastructural facilities. The development of the plots and the ready built sheds constructed thereon are allotted to the needy entrepreneurs for setting up of their industries. The Corporation aims at promotion of rapid industrialization of the State of Andhra Pradesh to sub-serve socio-economic development of the State. The activities of the Corporation are carried on No Profit and No Loss basis. Government of Andhra Pradesh vide G.O.Ms.No.1162 Industries & Commerce Department, dated 04.12.1973 transferred all the Industrial Areas in the State in favour of the Corporation with effect from 01.01.1974 and land to an extent of 993 acres in IDA, Visakhapatnam is one such industrial area transferred to the Corporation by Government. As such, the Corporation as successor body to the Government of AP became entitled to deal with the lands in the industrial areas transferred to it.

12. Previously Ayiti Venkanna and 160 others filed W.P.No.11560 of 1996 against the

respondents seeking a Writ of Mandamus declaring the action of the respondents in taking steps to evict them from their respective lands and villages of Tungalam, Vadlapudi and Fakir Tekya of Gajuwaka Mandal as illegal and arbitrary and direct the respondents not to evict the petitioners from their respective lands. W.P.No.13912 of 1996 was also filed by one Bonda Govinda Rao along with 67 others for the similar relief and both the writ petitions were disposed of by a Division Bench of this Court on 10.11.2000 holding that the relief sought for in the writ petitions cannot be granted in the proceedings under Article 226 of the Constitution of India and directed the petitioners to approach the appropriate forum seeking the relief of declaration of their right over the said lands and also the compensation.

13. It is submitted that one Kaki Appala Reddy also previously filed W.P.No.22802 of 1999 seeking a Writ of Mandamus declaring the action of there respondents herein praying for not to evict him from the land in an extent of 3 acres situated in Sy.No.56 of Chinnagantyada Village, Visakhapatnam District and the same was disposed of by order dated 02.11.1999 holding that the relief sought for in the writ petition cannot be granted in the proceedings under Article 226 of the Constitution of India and directed the petitioners to approach the appropriate forum seeking the relief of declaration of their right over the said lands.

14. Another W.P.No.25472 of 1999 was also dismissed by order dated 10.12.1999, which was upheld by a Division Bench of this Court in W.A.No.96 of 2000 dated 09.02.2002. The Division Bench in the said writ appeal held that having received the compensation in respect of the acquired land it is not open for the petitioner to contend that the lands vested in the State Government are not free from encumbrances under Article 226 of the Constitution of India.

15. Pursuant to the dismissal of the aforesaid writ petitions only one Kaki Appala Reddy filed suit O.S.No.193 of 1999 on the file of the First Additional District Judge, Visakhapatnam and the said suit is pending. In view of the fact that the aforesaid writ petitions were already dismissed these writ petitions are not maintainable which are filed with malafide intention to cause unwarranted hurdles to the Corporation and also to the allottees to whom plots/lands were allotted for the development of industries. In fact, several allottees constructed factory buildings in the plots/lands allotted to them and have been running their industries.

16. Large extents of lands acquired under the Land Acquisition Act in Fakir Tekya, Chinagantyada, Tungalam and Vadlapudi villages, Gajuwaka Mandal, Visakhapatnam District for the purpose of industrial development through several passed by the Land Acquisition Officers is as follows:

VILLAGE AWARD Nos.

1) Chinagantyada 2,3,10,12,13,14 and 22 of 1996

1 and 2 of 1967

5/68, 2,3 and 12 of 1969

7 and 9 of 1970

2) Fakir Tekya 6,65,5,6,7,8,11,13,15,17,18,20,21 of 1996 and 6/68

3) Tungalam 2/66, 1 and 3 of 1967

5 and 10 of 1969

2,3,4 of 1970

4) Vadlapudi 1/67, 4/69, 7/69, 5,6,10 and 11 of 1970, 12/71 and 2/73.

17. The lands in the above said villages were acquired and taken possession following due process of law under the Act duly paying the market value. As such, the lands vest with Government absolutely free from all encumbrances. Subsequently the lands were transferred in favour of the Corporation. The Corporation undertook development of the lands duly obtaining approval of layout plans by the competent authority/VUDA. Lands/Plots so developed were allotted to entrepreneurs for setting up of industries. The allottees constructed factory buildings and have been running their industries. For the purpose of development of the lands, the Corporation designated the pieces of lands in IDA, Visakhapatnam as Block-D, Block-E and Block-E expansion etc., and undertook development of the lands covered by the said blocks. Subsequently the Corporation further acquired lands in Fakir Tekya village under the Act vide Award Nos.8, 10, 11, 12, 13 and 14 of 1988 and the Corporation has commenced development of Apparel Export Park in the lands in Sy. Nos.38, 39, 41, 42 and 60 of Fakir Tekya village and also in Sy. Nos.35, 38 and 39 of Tungalam Village. The land in Sy.No.36 of Tungalam village was handed over by the Corporation to the Social Welfare Department as per the request of the District Administration, Visakhapatnam. Therefore, there is no truth in the averments made by the petitioners that the lands were not at all acquired and the compensation was not paid.

18. It is submitted that the allegations of the petitioners that Government allowed the notification under Section 4(1) of the Act to lapse is not true and the land acquisition proceedings initiated under the Act have attained finality since awards were passed and possession of the lands was taken following the due process of law. As such, the lands vested with the Government are free from all encumbrances. Subsequently the lands were transferred in favour of the Corporation vide G.O.Ms.No.1162 Industries and Commerce Department dated 04.12.1973. However, the allegation that the Government is acting contrary to aims and objectives of the Corporation is not true as the transfer of plots from industry to industry goes to show that there is industrial activity and there cannot be any objections to sell the lands to another industry. If there is any violation of the terms and conditions it is always open for the Corporation to take possession of the said land. There are no standing crops like red gram and other crops as alleged by the petitioners. Therefore, there is no record of right that has been shown by the petitioners entitling them to any relief as prayed for.

19. The Settlement Fair Adangals of the villages were obtained by the petitioners, which are records maintained prior to the acquisition of the lands and the petitioners have not filed any single copy of paper with regard to their present possession, no pattedaar passbooks or record of rights and Pahani Patrikas. Therefore, it cannot be said that the petitioners are in possession of the said lands and they have lost their title long back and in respect of the lands in question compensation has already been paid after passing the awards.

20. In view of the aforesaid facts and circumstances of the case, and in view of the disposal of the earlier writ petitions holding that it is not possible for this Court to decide the disputed questions of fact in exercise of its jurisdiction under Article 226 of the Constitution of India, the only course open to the petitioners is to approach a Civil Court. No doubt, where there is a *prima facie* case showing their right, title and possession, this Court can interdict the respondents from interfering with the petitioners' possession but on perusal of the entire record I do not find any *prima facie* case to come to the conclusion that the petitioners are in continuous possession and enjoyment of the said lands in question. Admittedly, petitioners have not filed any cist receipts or any records under the Record of Rights Act. Therefore,
I am of the opinion that the petitioners are not entitled for any relief.

Accordingly, the interim direction granted earlier is vacated and the writ petitions are dismissed with a liberty to the petitioners to approach the Civil Court for appropriate relief. No costs.
